

# Honorary Degrees To Be Awarded To Condie, Wallace At Graduation

Honorary doctoral degrees will be awarded to Richard P. Condie and John M. Wallace at commencement exercises at BYU May 31.

Mr. Condie, director of the Mormon Tabernacle Choir, will receive the honorary doctor of music degree. Mr. Wallace, chairman of the board of Walker Bank and Trust Company, will be presented the honorary doctor of laws degree.

MR. CONDIE, WHO has served as Tabernacle Choir director since September 1957, previously was soloist and assistant conductor for nearly 20 years. A native of Springfield, he was graduated from BYU with a master of arts degree in 1923. He currently is assistant professor of music at University of Utah, where he teaches voice, harmony and conducting and directs singing ensembles.

He graduated in 1927 from New England Conservatory of Music at Boston, and he has studied in Europe, at Berkshire Music School in Massachusetts, with choral director Robert Shaw and at Christiansen Choral School in Chambersburg, Pa.

Mr. Condie has led the Tabernacle Choir in European concerts in 1955, on the tour of the midwest and eastern United States in 1959, to Los Angeles in 1959 for national television appearance and acceptance of the "Grammy" Award for the choir's best-selling

rendition of "Battle Hymn of the Republic," in two sell-out performances at the Seattle World's Fair in 1962 and at St. Rushmore in July 1962 for the first U.S. to Europe telecast via the Telstar satellite.

MR. WALLACE, FORMER mayor of Salt Lake City and Salt Lake businessman, received the B.A. degree from University of Utah in 1916 and the MBA from Harvard in 1921. He is co-owner of Redwood Investment Company; vice president and director, Banner Mining Co.; and president and director, United Park City Mines Co. and Park City Land and Recreation Development Co.

He is also vice president and director of Arizona Ranch and Metals Co., director of Western Incorporation, Western Air Lines, Inc.; Radio Service Corporation of Utah and Newhouse Realty Co. He is chairman of the lay board of Holy Cross Hospital and member of the board of trustees of Westminster College.

Mr. Wallace served as civilian aide to the Secretary of the Army in 1955-59; he was also chairman of the Army Advisory Committee of Salt Lake City for more than 10 years. He was president of the Salt Lake City Chamber of Commerce in 1936-37 and a member of Governor George D. Clyde's Coordinating Council of Higher Education from 1959 to 1961.

RICHARD P. CONDIE

## Floodwaters Bury Towns In Alaska

ANCHORAGE, Alaska, (UPI) Floodwaters along the lower Uskokwim river in western Alaska increased steadily Wednesday despite a series of delayed-action bombs dropped into ice jams near the village of Napaskiak from a Navy Neptune patrol bomber.

The small villages near the mouth of the Uskokwim were completely underwater and the flood had inundated almost half the town of Bethel, a community of about 1,500 persons.

BETHEL, CIVIL Defense Director Robert Gibson said the Navy planned to drop more bombs with the hope of cracking ice jams in the river later Wednesday where two tons of explosives dropped earlier had been unsuccessful. The trick is to smash ice jams that are causing the river to spill over its banks.

Two army H21 helicopters from Fort Richardson and one Air Force helicopter from Elmendorf Air Force Base evacuated about 120 villagers from Napaskiak to the Bethel army hospital.

ALONG The Yukon River in Central Alaska, flood waters began to recede. The village of Galena was inundated Wednesday morning, but the flood waters stopped just six feet short of a protective dike around the adjacent Air Force station before subsiding.

## Cougar Revue Last Function

After the first exhausting day of exams, students can attend the last student-body program of the year, "Cougar Revue."

Highlighting the program, which begins at 7 p.m. in the Smith Fieldhouse, Saturday, will be the staging of the "Curtain Time USA" show. This show, a production of the BYU Program Bureau, features the 18-member troop which will perform in Europe this summer for United States servicemen.

THE SHOW includes the dancing talent of Tony and Charlene Zimmerman, comedy of Margie Vance and musical styling of the "Sparkies" girls' trio.

Awards for the professor of the year and for outstanding students in the various colleges will also be presented at the revue.

MEMBERS of the Culture Committee will award the honor of the sweepstakes winner for the assembly of the year.

Following the program, Bill Link's Band will provide the music for the Senior Ball to be held in the East Gym beginning at 8:15 p.m. Graduating seniors will be admitted free. Other students may purchase \$1.50 tickets for the semi-formal ball in the Smith Family Living Center.

## Rise Above All Things' Says Evans

By Mitchell  
Church Staff Writer

What you should rise; rise above all things; finish every thing you start," Elder Richard L. Evans told the large Wednesday evening audience.

Elder Evans, the final devotional speaker of the semester, spoke with an attitude of reflection, exhorting that we speak without a need of address.

CASUAL Introspection should be practiced by each individual in order to recognize the need that attention.

Don't ever just drift; act with purpose, he advised. "What other person doesn't know what he will hurt himself? We must always live with Jesus, and you and God will always know what you have done," he said.

Elder Evans pointed out that there are only 600,000 hours or 100 days in 70 years and that we make of ourselves in that time.

He stressed that each person should find significance on eternity. "It is MORE important to live slowly in the right direction than to take an speedy step in the wrong direction," Elder Evans stated. He quoted an ancient philosopher, "Life is a short walk in a narrow road; hope is a narrow thread; balance is unbalanced." In pointing another rule for preparing eternally Elder Evans quoted the prophet Isaiah's statement which suggests that "if we are our best, we must succeed in what we should."

He people wonder why there is ever enough time, he said. "Why is there never enough time to do it right the first time? Why is there never enough time to do it over? It is always you should and you always the time and power to do it. Do not the things you should and you will not have time to do it. Do not the things you should and you will not have time to do it."

## Graduation Activities . . .

# Colleges Plan Individual Exercises

Commencement exercises honoring the graduates of individual colleges will follow each program.

THE COLLEGE of Biological and Agricultural Sciences will meet Wednesday at 7:30 p.m. in the Smith Auditorium, Dean Rudger H. Walker will preside.

Lois Lodene Peay and Dennis Keith Wagner will deliver valedictory addresses; a response for the graduate students will be made by David Arnold White; and the speaker will be Dr. Jack B. Truncell, director of the McDonald Health Center.

THE GENERAL COLLEGES' exercises will be Wednesday at 8 p.m. in the Smith Family Living Center, and Dean Wayne B. Hales will conduct.

Valedictory addresses will be given by Doretta Gillins Miller, business technology, and William Parr Melrew, industrial education. Remarks by Dean Hales will conclude the program.

THE COLLEGE of NURSING commencement will be at 1 p.m. May 31 in the 9-19 Ward Chapel under the direction of Dean Beulah Ream Allen.

Clarence Wonnacott, executive director of LDS hospitals will give the welcome. Then Dr. Robert Beveridge will speak, and after remarks by Dr. Allen, pins will be presented and Patricia Beck will lead the class in the Pledge. Niglingale played Grace Ann Deal will deliver the student address.

THE COLLEGE of Humanities and Social Sciences plans exercises for May 29 at 7:30 p.m. in the Smith Auditorium. Dr. Eugene Campbell of the History Dept. will deliver the welcome speech.

Jerald Rusk and Susan Bidolph will be valedictory speakers, and Dean John T. Bernhard will give the major address.

THE COLLEGE of FAMILY Living will honor graduates May

29 at 7 p.m. in the Smith Family Living Center. Dr. Wayne B. Hales, Sigma Delta Omicron, and guest Zira Y. C. Brown will present gifts to the college.

A valedictory address by Susan Swenson will be followed by the presentation of achievement awards and initiation of seniors into the American Home Economics Association by Frances P. Barlow, president elect of the Utah Chapter.

THE COLLEGE of Physical Education commencement will be at 9:30 a.m. Ward Chapel at 10 a.m. May 31. Vice President Harvey L. Taylor will represent the administration and Dean Milton F. Hartvigsen will conduct.

Highlighting the various physical education departments will be H. Darlene Anderson, Edward E. Anderson, Jack Taylor, and Simpson and Jack Hill. Gary Batchelor will be valedictory speaker.

THE COLLEGE of Fine Arts will meet in the Smith Banquet Hall May 30 at 4 p.m. under the direction of Dean Conan E. Matthews.

Student speakers will be Linda Harris, Corinne Pearce, Janet Hothorns, Judy Fullmer, Rehn Keele, Anthony Taylor and Noel Brown.

Honors, awards and graduates for the Art Dept. will be announced by Dr. Richard L. Gunn, Dr. Harold L. Hansen and Prof. Norman M. Clinger for the Drama and Speech Dept., and by Dr. Crawford Gates for the Music Dept.

THE COLLEGE of Physical and Engineering Sciences plan exercises for May 30 at 2 p.m. in the Smith Auditorium. After introductory remarks by Dean Armin Hill, Dean Armand Z. Eardley of the University of Utah will speak.

Valedictory addresses will be given by Mary Jo Allaman, representative of physical sciences, and M. Dee Humphreys, engineering sciences.

Seniors Diane Christenson, Darrell Madsen and Marilyn Margetts, water wide-eyed as Orion Wood points out some aspects of the campus never seen by the majority of the students. All seniors are invited to a trip "down under" at the annual senior trek. The trek will start at the Alumni Building May 31 at 1 p.m.

## WYK MAGAZINE

The last issue of the Wyk Mag. this school year is scheduled to go on sale Thursday in the student bookstore for 35 cents. Sales will continue through the week.

## POLIO VACCINE

Polio vaccine can be obtained Tuesday and Friday from 10 a.m. to 1 p.m. in the Provo City-County Health Dept. by those who missed last week's clinic.

## AUGUST GRADS

Students planning on graduating in August who want information on announcements, name cards, graduation tickets, etc., should give Alumni House their proper summer address.

## SONGFEST RECORDS

Songfest records may be picked up Friday in the lobby of the Smith Family Living Center from 11 a.m. until 2 p.m. or next week in 180 Student Service Center.

## Corps Test To Be Held

Placement tests for the Peace Corps are being held June 8. These tests are non-competitive and anyone with the equivalent of a high school education is eligible to take them.

Volunteers must be American citizens at least 18 years old. Married couples are eligible if they both qualify and have no dependents under 18.

**TO QUALIFY** for the test, a candidate must fill out a Peace Corps questionnaire and send it to the Peace Corps or bring it to the test center. Questionnaires are available at post offices or from the Peace Corps, Washington 25, D.C.

Tests are being given in Provo June 8 in the Provo Post Office and in Salt Lake City in 406 Federal Bldg.

## Standards Clarifies Points

A point concerning academic suspension was recently clarified by Darrel Moses, head of Academic Standards.

"A student," he stated, "can remain on probation an infinite number of semesters and never be suspended."

**THE REQUIREMENT** is not to get more than 12 points below the student's class minimum (175 for freshmen and 220 for all other classes).

Grade points are awarded for letter grades and are not the same thing as grade point averages. An A equals four grade points, a B three points, etc.

A student can find the number of grade points he must have to stay in good standing by multiplying all the BYU credit hours he has carried by his class minimum.

**TO BE** suspended a student must, simultaneously, be on probation, have been below his class minimum for the current semester, and be 12 total grade points below his class minimum.

These minus grade points are cumulative from semester to semester, he explained, and a student can remain off suspension only as long as his total grade point average is high enough to keep him above the minus-12 cut-off line.

## Department Alters Russian Program

A change in the Russian language program has been announced by Donworth Gubler, head of the Russian Dept.

Russian 101 and 102 will be taught during summer school by Robert Wimmer of the Language Dept.

**NEXT YEAR** one five-hour course each semester will be offered in place of the two four-hour classes each semester given this year. This applies only to the second year Russian classes.

## Briefcase Racks

### Made for Library

Briefcase racks are being installed in the lobby of the Clark Library between the south entrance and the card catalogue.

Briefcases left elsewhere during library hours will be picked up and taken to the rack. Those left in the library after hours will be taken to the Lost and Found in B-66 Snout Bldg.

## Dig your toes in the cool, wet sand

Who can resist it? That exuberant urge to peel off your shoes and go joyfully down to meet the sea. You don't want anything, ever, to spoil that lovely beach... neither do we.

So today, with advanced drilling techniques, we seek oil beneath beaches without marring their beauty with equipment and derricks.

Instead, the oil is brought up by "slant drilling" from a well located far away, often out in the sea. On the beach, you don't even know it's happening.

So dig your toes in the cool, wet sand. Enjoy your lovely seaside playgrounds. We cherish their beauty, as you do.

*Planning ahead to serve you better*

# Students Awarded Scholarships, Grants

Honors in the form of scholarships, grants and fellowships for achievement, have been given to eight BYU students and two professors.

**TWO STATISTICS** majors from Provo, who had received their degrees in May, have been awarded scholarships totaling more than \$20,000.

John Carlyle Lambert was awarded a National Aeronautics and Space Administration scholarship for \$12,600. He will study at North Carolina State College in Raleigh. The fellowship provides \$5,200 for the first year and \$3,100 for both the second and third years, plus tuition and fees of \$2,600 for the three years.

Vern Jay Criswell was awarded a National Institute of Health Fellowship. The scholarship provides \$2,500 for the first nine months of study and \$3,000 annually until he obtains a Ph.D. degree for a minimum of five years. He will do graduate work in experimental statistics at Kansas State University in Manhattan, Kansas.

**A SENIOR** from Corralville, Calif., W. Fred Mortensen, is the recipient of a \$1,200 scholarship from the Southern California Association of Public Administrators. He will do graduate work at the University of Southern California in Los Angeles.

Mr. Mortensen, who served as an administrative intern to the Provo city manager in 1960-61, is

a member of the local chapter of Pi Sigma Alpha, and the American Society of Public Administrators.

**A TEACHER** of advanced geological research technology in the BYU General College Technical Institute in England and Wales, David E. Gardner has been elected a fellow of the Society of Geologists, London.

Mr. Gardner has been in his field for more than 20 years. He is co-author of several texts used at BYU, and is a member of the evaluation committee in the computer development program for the Geological Society of the Church of Jesus Christ of Latter-day Saints.

## Traditional Black-robed Procession Symbolizes Graduation Ceremonies

The final march down the ramp will begin for 1160 graduating seniors in one week, when they sway solemnly down the hill to baccalaureate services and commencement exercises Thursday and Friday.

Master's degrees will be presented to 16 graduate students this year and four doctoral degrees will be granted.

Degrees will be granted to:

### COLLEGE OF BIOLOGICAL AND AGRICULTURAL SCIENCES

## Giant University Seal Set in Y Student Center

The University Seal has been set in the floor of the Y Student Center, announced Jay Eitner, assistant to the student coordinator.

The Seal, seven feet in diameter, is made of cast bronze and terrazzo (the polished stone substance in the floor of the Smoot Bldg.).

**THE DESIGN** is a larger reproduction of the official seal appearing in the Universe masthead and Universe stationery with beehive, bees, the date of the founding of the University and its motto: "The Glory of God is Intelligence."

The bid on the Seal was \$2071.41, said Mr. Eitner. The actual cost may have gone over that amount. The money was contributed by the freshman, sophomore, junior classes and the White Key.

**THE SEAL** was cast by the Charles H. Cox Foundry of Provo.

Mr. Eitner remarked that it is a tradition in other universities

never to step on the seal. He hoped that students would "honor" the dignity of the seal "by respecting this tradition."

## 89 Buildings Are Opened By 6200 Keys

Six thousand two hundred keys are needed to secure the 89 non-housing buildings on campus, according to John L. Smith, Supervisor of the Physical Plant's keys and custodial department.

As of August, 1962, there were 7,117 copies of these keys issued to BYU's faculty, staff, and students. One can obtain a key by presenting an official request form signed by his department head, college dean, and himself.

If a key is properly registered with the Physical Plant and it is lost, the key can be duplicated at the key office. Loss of a key not properly registered might necessitate having the Physical Plant's locksmith pick the lock.

**THIS PROCEDURE** encourages him to find the key if he loses it, since getting a key made off campus is considered a breach of trust. When the keys are no longer needed, the possessors should turn them in to the key office at 285 Physical Plant Bldg.

"Keys are a sacred trust and should be treated as such; never being loaned or duplicated," Mr. Smith emphasized. "They are issued on the honor and integrity of the recipient. The security of the university is vested in the people who carry the keys."

Basketball coach Stan Watts congratulates the presidency of the newly formed Collegiate Athletic Association. Left to right are George Parkhurst, Stan Watts, Gregg Cramm, Jeff Livingston and Biff McComas.

Photo by Chester Reed

## Athletic Club Organized To Promote 'Y' Sports

Officers of the newly formed Collegiate Athletic Association (CAA) have been elected to direct a full roster of activities for next year. The organization, composed of full-flight BYU athletes and those athletically interested, will serve the university and the athletic department.

JEFF LIVINGSTON will act as president. Livingston hails from Ogden, Utah and is a mathematics major. He is a member of the Varsity football squad.

Gregg Cramm from Palos Verdes, California, will serve as executive assistant to the president. Cramm is a zoology major and plays varsity track.

BIFF MCCOMAS will tackle the office of vice-president of service. McComas is from Pasadena, California and is a political science major.

George Parkhurst, vice-president of athletics, comes to BYU from San Diego, California and is a business management major. THE EXECUTIVE Cabinet includes Rick Myers, Steve Birchall, Ron Sharp, Kent Sibbett, John Malarsie, Mike Vandergriff, Joe Loane, Raleigh Wells, Bob Aguirre, John Alstrom and Dave Adams.

The association will serve the university by supporting the intramural program, by assisting at spring sports, by organizing an extramural program between Utah universities, by supporting university functions in service or competitive roles and by organizing an all-state weekend at BYU for Utah high school athletes.

This organization will also concern itself with the spiritual, physical and mental growth of its members. All members will live the standards of the university and The Church of Jesus Christ of Latter-day Saints.

A special effort will be made to integrate non-LDS athletes into an LDS environment.

### Softball Final Thursday

Thursday on the athletic field south of the Smith Fieldhouse the 1963 all-school softball championship will be decided. Game time is 7:30 p.m.

Winners of the two games played Wednesday night will vie for the title. Semi-finalists Wednesday were the 1st Ward and the "Dipsomaniacs." The winner of the game between the "Diamond Aces" and the "Norsemen" will decide the other finalist.

## Cat Linksters Drop Aggies In Golf Final

The Cougars ended their link season on a winning note Tuesday by crushing the Utah State Aggies, 34-22, at American Fork's Alpine Country Club.

THE VICTORY avenged an earlier season defeat that the Cats suffered at the hands of the Aggies in Logan. At that time Utah State ace, Mike Sweet, led the Farmers to a 39-15 victory.

The match which was held Tuesday was originally planned earlier in the season but had to be postponed due to poor weather.

THE VICTORY proved to be an excellent turn-up for the conference finale which gets underway in Scottsdale, Ariz. Friday. It should be a valuable morale booster for the Cougars by sending them into the conference on a winning note.

Doug Swendsen earned medalist honors by touring the tough Alpine course in 74.

NORM JORGENSEN (Y) defeated Mike Sweet (USU), 6-0; Van McChille (BYU) defeated Dennis Meyer (USU), 8-1. The team of Jorgensen and Torrek downed the USU duo, 5-1.

Curt Gardner (USU) defeated Gil Torres (BYU), 6-0; Ron Morgan (USU) defeated Lynn Hone (BYU), 6-0; Gardner and Morgan won the best ball by a score of 6-0.

BRUCE DIFLOURES (BYU) defeated Don MacKenzie (USU), 6-0; Doug Swendsen (BYU) defeated Ken MacKenzie (USU), 6-0. Difloures and Swendsen went on to take the best victory by an identical score of 6-0.

## BYU Weighlifters Dominate Meet

All-school weight lifting records fell Saturday as the Intramural Dept. sponsored its annual intercollegiate Power Lift Meet in the Smith Fieldhouse.

TWENTY lifters participated in the meet with the Brigham Young University Barbell Club winning all of the six divisions except the 148 lb. class which was taken by Gary Cadez of Utah State University.

The winner of the 132 lb. class was Alan Kanase with a total of 530 lbs. Roger Kincaid won the 158-lb. class with a total of 770 lbs. In the 181 lb. class Steve Jesse was the winner with a total of 930 lbs.

DOUG FOSTER came out on top in the 198 lb. class with a total lb. score of 945 lbs. The Heavyweight winner was Oralt Malepel with a total of 255 lbs.

## Herbert Coaches Kittens To Perfect Season Mark

Coach Frank Herbert led the BYU Kittens to an undefeated season this year with 16 wins against Utah junior colleges and high schools.

Herbert, who received his baseball experience with the varsity Cougars, will be leaving the sports world for a teaching career in seminary for the Church of Jesus Christ of Latter-day Saints.

The ex-Cougar center fielder hails from Arlington, Virginia where he attended high school. After a mission for the Church in Arizona he completed his undergraduate work at the Y when he graduated in 1962 in physical education.

While playing for the Cougars he was chosen to the All-District 7 and All-Skyline team for two years.

The Frosh coach found his work easier as the Kittens pitchers and hitters developed well under his management. The pitching staff, consisting of Val Snow, Dave LeSueur, Kent Garrett, John Nielson and Norm Lambeau,

hurled effectively all season and should give the Cougars good support in 1964.

The Frosh hitters and fielders backed up the mound corps with steady hitting and strong defense.

Coach Herbert finished his BYU stay on a successful note and it will be a hard job for the new Frosh mentor in 1964.
